ABOUT THIS UNIVERSITY

The Indira Gandhi Technological and Medical Sciences University, Arunachal Pradesh established in the year 2012 at Ziro in the Lower Subansiri District under the provisions of the Indira Gandhi Technological and Medical Sciences University Act 2012 (Act 6 of 2012) was passed in the Eighth Session of the Fifth Legislative Assembly of Arunachal Pradesh and the same received the Assent of the Hon'ble Governor of Arunachal Pradesh on 26 May 2012. The Arunachal Pradesh Gazette (Extraordinary) No. 99, Vol. XIX dated 30 May 2012 published the Notification regarding the Indira Gandhi Technological and Medical Sciences University, Arunachal Pradesh.

Presently the University is operating from its own campus at the SSB Gate besides a few leased buildings for housing its offices, classrooms, laboratories, library, staff accommodation, hostel etc. Qualified faculty members have been appointed under the dynamic leadership of the Chancellor Dr. Markandey Rai, the Pro Chancellor Dr. Utkarsh Sharma. The Indira Gandhi Technological and Medical Sciences University, Arunachal Pradesh has designed a masterplan paradigm for launching need based vocational and employment centric courses with the main objective of providing tertiary education to the young boys and girls from all over the country in general and from the State of Arunachal Pradesh in particular.

The salient features of the programmes being conducted at the Indira Gandhi Technological and Medical Sciences University, Ziro, Arunachal Pradesh are based on the hypothesis that skill based education is the most urgent requirement of our country viewing the fact that our country is in a position to produce maximum number of trained manpower for catering to the growing needs of not only India but all countries of the world. The Government of India has envisaged that at least 40 Crore trained and skilled manpower will be needed by the year 2022. In this connection it is important for the Indira Gandhi Technological and Medical Sciences University, Ziro, Arunachal Pradesh to design action plans to ensure that this milestone of producing 40 crore skilled boys and girls is achieved by launching different short-term and long-term programmes also viewing the local situation and environment of Arunachal Pradesh.

About this course

The course will cover aspects of management and facilitation skills in an effective, efficient and appealing way to achieve the intended learning outcomes.

Participants will work through a structured process from identifying learning needs to manage, develop, deliver, and evaluate learning effectiveness. This is done using a guided discovery and practice process with learning scenarios and problems that participants will bring to the course.

participants will take-away various templates, handouts and job-aids to appreciate the development of learning collaterals. The course provides space and time for learners to reflect, share, and build on their experience through in-class assignments and discussions.
